POLITICAL.

THE SENATORIAL CONTEST IN MISSOURI.

PINCHBACK ELECTED BY THE KELLOGG BODY.

COMMENTS ON THE PROCEEDINGS IN THE HOUSE YESTERDAY.

ETC., ETC., ETC.

INVITED TO ACT.

WASHINGTON, Jan. 14.—Attorney General Williams last night telegraphed to Stanley Matthews and Aaron F. Perry of Cincinnati, asking them to act as counsel to represent the government in the suits against the Union Pacific railroad company.

GENERAL GARFIELD.

Was before the Credit Mobilier committee to-day, and swore positively that he never had any stock, although solicited to take some by George Francis Train.

COMMENTS.

ST. LOUIS, Jan. 14.—A special from Washington to the Evening Dispatch says that the debate in the house yesterday on the Louisiana affair excites much comment in administration circles, and some of the speeches made by Republicans are spoken of as unwise and calculated to make matters worse, and render a settlement of the question more difficult.

ANARCHY TO FOLLOW.

Attorney-general Williams said to-day that the Warmoth party would take fresh encouragement from the house proceedings of yesterday, and assume a bolder stand, and that anarchy is sure to follow.

ELECTED.

NEW ORLEANS, Jan. 14.—Pinchback was elected United States senator by the Kellogg legislature.

THE CONTEST.

ST. LOUIS, Jan. 14.—The two houses of the legislature voted separately for United States senator to-day. The vote in the house stood Bogy 85, Henderson 33. In the senate, Bogy 25, Henderson 10. About 9 o'clock to-morrow a vote will be taken in joint session.

CORBETT'S BILL.

WASHINGTON, Jan. 14.—Corbett's bill to amend the national currency act allows National banks to loan to any individual or corporation ten per cent. upon their surplus profits as well as upon their original capital.

APPOINTED.

NEW YORK, Jan. 14.—Mr. Spearman formerly chief clerk of the internal revenue bureau at Washington, was appointed treasurer of the Erie railroad company, vice Hodgekin, resigned.

CONGRESSIONAL.

Senator Corbett reported from the committee on finance a bill amending section 79 of the national currency act, so as to prohibit the national banks from increasing their liabilities exceeding one-tenth their capital stock. Passed.

On motion of Senator Casserly the committee on judiciary was directed to inquire in connection with the inquiry as to the power of congress over the subject of railroads between states, whether each state, within its own limits, has not now full power over the same subject, including rates, freights and passengers. Agreed to.

The senate then resumed the consideration of the agricultural and industrial art colleges bill, which was debated at length. Senators Morton, Thurman, Sherman, Pratt, Trumbull, Windom and Casserly opposing; Morrill of Vermont, Morrill of Virginia, Patterson, Boreman, Sawyer and Corbett advocating it. Several amendments were offered and rejected. The bill then passed, yeas 39, nays 14.

Senator Logan, from the military committee, reported without amendment to the house the bill providing for the establishment at Rock Island, Illinois, of a military prison.

Senators then adjourned.

HOUSE.

WASHINGTON, Jan. 14.—On motion of Mr. Bingham, a bill passed to amend the act of 1872 providing for holding United States circuit court in the western district of Missouri.

The house then took up the appropriation bill.

The pending question being an amendment, offered by Mr. Randall last Saturday, providing that no money shall be paid for transportation of mails or troops while such companies are in default for interest on bonds issued by the government, only common consent, Mr. Randall's amendment was withdrawn, and the following substituted for it, as offered by Mr. Hubbard: "That section of the army appropriation bill approved March 3, 1871, is hereby repealed and it shall be the duty of the secretary of the treasury to apply all such sums of money as are now or shall become due, either of the Pacific railroad companies embraced within the provisions of said section, from the United States for transportation of troops and supplies, mails, or otherwise, to the payment of the indebtedness of such company to the United States for interest paid by the

United States on bonds issued for the benefit of such company.

Mr. Wheeler moved an amendment to Hubbard's amendment, by adding to it the proviso that the repeal shall not take effect until the attorney general shall certify to the secretary of the treasury that such railroad companies are liable to the government for any amount of interest paid by the government on the bonds issued in aid of such companies.
